### Saturday, August 20th

Crafts and art workshops directed by the staff of the Cotuit Nursery School:

"Crafting" for the younger fair attendees — a simple & fun project creating an underwater scene, complete with fish, sand and glitter will be available for the pre-schooler to create and take home. Colorful Cotuit Skiff towels will also be available for \$20 each to benefit the playground fund. Stop by and visit and let your kids create some art — and run off some steam on our community playground! (from 10 am —4 pm at the ART TENT No. 65 )

### Young talent on the *CraftFest* Main Stage:

2:00 pm Listen to the young voices in "Miss Claire's Studio Singers"

**StoryTime!** At 1:00 pm "StoryTime" with Mairead Mayen : Come hear some classic tales told with a dramatic flair. Familiar folk tales and short stories will be offered for kids of all ages. Bring your imagination and your sense of fun! (Adjacent to Booth #105)

### Cotuit Village Library: ( Adjacent to Booth No. 105 )

Throughout the day on Saturday and Sunday, children's librarians of the Cotuit Village Library will offer craft-making projects and activities at the Library's festival booth—in the area adjacent to Booth No. 105. Join in the fun of making items that not only celebrate a child's imagination but that also sharpen their hand-making skills.

### What child isn't a fan of Face-Painting? (Near No. 105)

Our face-painting artists will delight young festival-goers with all types of possibilities for a funny, scary or fantasy disguise. For a \$1.00 donation, give a child a *CraftFest* facial adventure that will be worthy of many photos for the family album.
